EPDS: BW 1.0 WW: 68 YW: 122 Milk: 14

Rosso Young Gun 5K is the complete package – a bull that combines eye appeal, performance, and practicality in one impressive, balanced individual. From every angle, Young Gun displays exceptional soundness and structure, carrying himself with the kind of mobility and foot quality that ensures longevity and confidence in any breeding program. Sired by Wellington and backed by the powerful Faith 17F female, his pedigree blends proven maternal strength with predictable performance. He's a calving-ease option without sacrificing growth or style – producing calves that hit the ground easily, get up quick, and develop with muscle shape and natural thickness.

Young Gun 5K is a breeder's kind of bull – rugged, correct, and backed by generations of Rosso Charolais breeding consistency.
